Authorization for Payroll Deduction for LANDAU Purchases

Baptist team members will be allowed to make purchases through the vendor, Landau Uniforms, with the benefit of a payroll deduction option. Landau is the exclusive provider of the Baptist logo embroidery and payroll deduction for the uniform program. Landau will only embroider on new garments purchased from Landau stores and only on garments approved for embroidery of the Baptist logo.

- This authorization form must be completed at the point of sale.
- At the time of purchase, the Baptist team member will need to show their ID badge to the Landau cashier. The team member must sign the invoice verifying the purchase being made, agreeing to the dollar amount owed and for payroll deduction for the amount of purchase.
- Active Baptist team members, employed for greater than 90 days, will be eligible for payroll deduction. Eligible employees can purchase up to \$300.00 per 8 week period. All purchases will be payroll deducted over three pay periods. No more than one payroll deduction at a time is allowed for goods purchased at Landau.
- If the team member leaves the organization before paying the balance due, the remaining payments will be deducted from the team member's last paycheck. Any outstanding balance after termination of employment will be subject to collections.
- Store returns that were purchased through payroll deduction will be issued store credit only.
