BENEFITS OF A "BROKEN IN"
FASHION LOOK AND FEEL.

A. 3035 | Pre-washed Warm-up

Love your layers when you add this comfortable warm-up jacket with a "broken in" fashion look. All colors feature antique silver snaps, crew neckline, and rib knit detail on the cuffs. Storage is not an issue thanks to unique double-layer pockets. The stitched-down belt with multi-needle stitching detail finishes into the front and back princess seams for a comfortable fit, while the double-vented back provides you the movement and freedom you need to get the job done.

Moisture Wicking

Wicks moisture away from skin and helps you stay dry and comfortable
4 Way Stretch

To Take Your Measurements

BUST/CHEST:

After exhaling, measure around your back and over the fullest part of your chest.

WAIST:

Wrap tape loosely around your waistline where you would wear a belt.

HIP:

With feet shoulder-width apart, measure around the widest part of your hips.

E. MDF Instruments | MDF One Calibra Kit

Featuring the MD One™ stethoscope and Calibra™ Aneroid Sphygmomanometer, the MD One™ kit is an essential for anyone starting in the profession. The MD One™ stethoscope with its stainless steel dual head provides accurate auscultation of heart, lung and blood pressure sounds while providing overall durability. While the MDF® Calibra™ Aneroid Sphygmomanometer is durable and precise, it's ideal for medical professionals in all settings. The die-cast zinc manometer housing is finished in textured baked enamel. The Calibra™ comes with a Velcro cuff and carry case. This coupled with a convenient and lightweight pen light make it the perfect starter kit or set for someone starting out.
